POLICY

The Director of Education will make every effort to ensure that decisions, practices and related activities comply with the Board of Education Values and Beliefs as stated in Policy 1040 Guiding Principles and Beliefs.

Accordingly:

1. The Director of Education will treat students, staff, community members, and Board of Education respectfully, honestly and with integrity.

2. The Director of Education will offer, within budgetary constraints, programs which enhance the education of students

3. The Director of Education will support the development of staff.

4. The Director of Education will make concerted effort to ensure fiscal accountability of the school division.

5. The Director of Education will take necessary measures to maintain assets and minimize risk.

6. The Director of Education will keep the Board informed on matters pertinent to the Board.
