POLICY

The Director of Education will treat students, staff, community members and the Board of Education in accordance with Policy 1040 Guiding Values and Beliefs.

Accordingly:

1. The Director of Education will act to maintain a safe, healthy and respectful environment for learning and working.

2. The Director of Education will use fair and consistent procedures for hiring, supervision and evaluating staff.

3. The Director of Education will use the document, Good Practices and Dispute Resolution as a guideline for effective Human Relations practices.

4. The Director of Education will welcome input from appropriate stakeholders when monitoring performance or setting direction at the division and school level.

5. The Director of Education will respect confidentiality.
