

NBCHS Grade 7 & 8 Supply List - Please label ALL supplies

1. Please note that while most classrooms request a lot of the same materials, some classrooms have more specific things students will need. Once you learn your child's homeroom teacher in the fall, please reach out to them to see if further items are required.
2. If your child goes through school supplies quickly, please purchase more than the recommended amounts while supplies are on sale. Keep them at home until they are needed.
3. Please feel free to re-use supplies from previous years or from older siblings if available.
