

NBCHS Grade 7 and 8 Supply List

(See Both Front & Back of Page)

General Guidelines: Please note that while most classrooms request many of the same materials, some classrooms have more specific needs. Once you learn your child's homeroom teacher in the fall, please reach out to them to see if there are more specific things.

The key consumable supply that will need to be restocked regularly is writing instruments, such as pencils and pens.

Please feel free to reuse supplies from previous years or from older siblings.
