It is not the intention of the Employer to enter into new contracting out of work arrangements during the term of the Agreement, nor is it the intent to lay off employees or reduce hours of work due to contracting out. However, if it becomes necessary to contract out during the term of this Agreement, the Union will be provided with a minimum of 30 days' notice and an opportunity to discuss any intent to contract out. Should the Employer choose to contract out, the employees affected will have the option of accessing the layoff and recall provisions of the Agreement or receiving a negotiated severance package.

The Employer agrees to deduct from every employee any monthly dues or assessments levied, in accordance with the Union Bylaws, and owing by them to the Union. Deduction shall be made from each payroll period and shall be forwarded to the Treasurer of the Union not later than the 15th day of the month following each pay period, accompanied by a list of employees and the amount of their deductions.

8.02 Authorization Cards

The Employer agrees to distribute dues, authorization cards and Union information packages provided by the Union to each new employee when **they are** completing payroll information.

ARTICLE 9 – HARASSMENT AND VIOLENCE IN THE WORKPLACE

Harassment

The parties agree that there shall be no discrimination, interference, restriction, coercion or intimidation exercised or practiced with respect to any person employed by the employer in any matter by reason of ancestry, place of origin, colour, family status, disability, nationality, receipt of public assistance, gender identity, creed, sex, sexual orientation, age, marital status, race or perceived race, nor by reason of membership in a trade union and any other prescribed grounds prohibited under *The Saskatchewan Employment Act* or Human Rights legislation.

The employer and the union jointly affirm that every employee shall be entitled to a respectful workplace. The environment must be free of behaviours such as discrimination, harassment, disruptive workplace conflict and disrespectful behaviour. The principal of fair treatment is a fundamental one and both the employer and the union will not condone any improper behaviour on the part of any person which would jeopardize any employed person's dignity and well-being or undermine work relationships and productivity. In addition, the parties agree that a respectful workplace includes a safe and healthy workplace.

Violence

Violence in the workplace is defined as the attempted, threatened, or actual conduct of a person that causes or is likely to cause injury and includes any threatening statement or behaviour that gives a worker reasonable cause to believe they are at risk of injury consistent with *The Saskatchewan Employment Act* and Occupational Health and Safety Regulations.

The Employer and the Union agree that violence against employees in the workplace is unacceptable and commit to work together to eliminate its incidence and causal factors. The Employer will maintain a Workplace Violence Prevention Protocol that complies with Saskatchewan Health and Safety Regulations. This Protocol will include education and training, identification of high-risk worksites and positions, measures to minimize or

eliminate risk, procedures for informing workers of known risks, and processes for reporting and investigating incidents.

Amendments will be reviewed by the Joint Health and Safety Committee, and the Protocol will be accessible to all employees and reviewed to ensure compliance.

The Employer will intervene and take supportive and appropriate action when any acts of violence, threats, or intimidation occur. Employees who experience a violent incident shall be given the opportunity to consult with a physician and/or seek counselling without loss of salary or benefits. An employee who, in good faith, reports workplace violence shall suffer no harassment, retaliation, intimidation, or adverse consequences; such actions will be considered a serious offence. Grievances related to violence shall be handled in a manner that respects confidentiality while upholding fairness and justice.

ARTICLE 10 - GRIEVANCE AND ARBITRATION PROCEDURE

10.01 Definition of a Grievance

A grievance exists when there is a dispute or difference of opinion between the Employer and any employee or the Union as to the interpretation or application of any provision of this Agreement, and the dispute or difference has not been resolved following discussions between the parties involved.

10.02 Time Limits

Time limits outlined in this Article may be extended by the mutual agreement of **both** parties.

10.03 Procedure

The Employer and the Union agree that the grievance and arbitration procedure should be an efficient and expeditious mechanism for the resolution of grievances. Therefore, the agreed procedure for the resolution of grievances filed by the Union shall be as follows:

(a) STEP 1

In the event of a grievance arising, a written submission describing the grievance and expressing the remedy sought by the Union on the matter shall be presented to the Human Resources or designate within **thirty (30)** calendar days of the event giving rise to the grievance.

The employee concerned, a representative of the Union and Human Resources or designate shall meet to discuss the grievance **within fourteen (14)** calendar days of its receipt.

A written decision shall be rendered to the **Union** within **fourteen (14)** calendar days of such discussion.

(b) STEP 2

Failing resolution under Step 1, a written application for a hearing may be made by the Union through Human Resources or designate to the Director of Education within 21 calendar days of receipt of the decision at Step 1.

A hearing shall occur within 14 calendar days following receipt of the application.

The Director of Education shall send their decision, in writing, to the Union within 7 calendar days of the hearing.

(c) **STEP 3**

If the grievance is not settled in Step 2, the above may be referred to either a single arbitrator (by mutual consent) or Board of Arbitration. Referral must be made within 21 calendar days following receipt of the Director of Education's decision at Step 2.

The Board of Arbitration shall consist of 1 member appointed by the Union, 1 member appointed by the Employer, and a chairman, jointly named by the 2 members so appointed.

Where the appointees of the parties fail to agree, within 30 calendar days of their appointment, on the appointment of a chairman, either party may request the chairperson of the Labour Relations Board to make the 3rd member appointment.

10.04 Decision of the Board

The Board of Arbitration shall:

- (a) Not have the power to change this Agreement, or to alter, modify or amend any of its provisions;
- (b) Be limited to dealing with the issues which are submitted to it for arbitration, and
- (c) Render a final and binding decision within 60 calendar days.

10.05 Technical Objections to Grievances

No grievance shall be defeated or denied by any formal or technical objection. An arbitrator shall have the power to allow all necessary amendments to the grievance and the power to waive formal procedural irregularities in the processing of a grievance, in order to determine the real matter in dispute and to render a decision which he deems just and equitable.

10.06 Expenses

The Union and the Employer shall each pay 1/2 the remuneration and expenses of the Chairman of the Board of Arbitration.

10.07 Loss of Pay

The employee concerned and the local Union representative as identified in this Article shall suffer no loss in pay or benefits in attending the discussions and hearings specified under this Article.

10.08 Accessibility to Employer's Premises and Investigation

All reasonable arrangements will be made to permit a Union representative, accompanied by Human Resources, or designate, to enter the Employer's premises to view working conditions that may be relevant to the settlement of a grievance.

ARTICLE 11 - VACANCIES, POSTINGS

11.01 Posting

When permanent or temporary vacancies initially exceeding 90 days occur or new positions are established, job postings shall be created. At the same time, vacant positions may be advertised publicly. Temporary positions may be extended beyond their original contract dates within a given school year without posting them. Each posting shall contain an outline of the position and shall be posted for a period of 7 days in places accessible to all employees including the Living Sky School Division website and sent via email. A copy of the posting shall be submitted to the Union President. Preference will be given to the CUPE member who has the greatest seniority, provided the applicant has the required qualifications and abilities for the position. During periods when school is closed for more than 7 days, the posting shall be displayed on the Living Sky School Division website.

11.02 Role of Seniority

In making staff changes, transfers or promotions, appointments shall be made of the applicant with the greatest seniority provided the applicant has the required qualifications and abilities for the position.

11.03 Notification to the Union

The Union President shall be notified of all promotions, appointments, hirings, lay-offs, transfers, recalls, dismissals and abolitions of positions.

11.04 Union Communication

The Union shall have a right to post notices of meetings and such other Union notices of interest to the membership on existing communication systems which are accessible to employees. These could include but not be limited to bulletin boards, email, faxes and interoffice mail.

ARTICLE 12 - PROBATION

12.01 Probation for New Employees

- a) A new employee shall be on probation for a period of 120 calendar days from the date of hire. During the probationary period, the employee shall be entitled to all rights and benefits of this Agreement, except with regard to dismissal. An employee shall be informally evaluated within the first 90 calendar days of the probationary term, with a formal written evaluation provided prior to the end of the probationary period.
- b) An uninterrupted Temporary contract (bridged by full-time casual work in the same position) will be on probation for the first contract only at the same school.

12.02 Trial Period

An employee who has been promoted or transferred shall be on a trial period for 90 calendar days from the date of appointment. The employee shall be confirmed in the new position upon completion of the trial period.

The employee shall work in the new position for a minimum of 2 weeks and shall be informally evaluated within the first 30 calendar days.

In the event the employee is unsatisfactory in the new position, or if the employee makes a request, they shall revert to their former position without loss of seniority or salary. Any other employee promoted or transferred as a result shall also be returned to their former position without loss of seniority or salary.

The employee and Employer shall give at least 1 weeks' notice of reversion.

12.03 Trial Period - Out of Scope Position

An employee who has accepted an out-of-scope position with the Employer shall retain reversion rights for a period of 90 calendar days in accordance with the Trial Period clause.

ARTICLE 13 - SUSPENSION AND DISMISSAL

13.01 Presence of a Union Representative

Except in cases where the Employer considers that an employee's conduct warrants immediate dismissal, the practice shall be to discipline (dismissal, suspension, demotion, verbal or written reprimand) the employee in the presence of the Union Representative at which time the employee will be given an opportunity to be heard.

13.02 Suspension Procedure

Suspension pending investigation is not considered discipline. If an employee is suspended pending investigation, the Board shall render its decision regarding discipline no later than fourteen (14) calendar days from the date of the suspension, except as otherwise agreed between the Employer and the Union. Where the suspension is without pay and investigations reveal that no discipline is warranted or that the discipline is less than the time spent on suspension, the employee shall be paid for the time lost and be made whole in all respects.

13.03 Unjust Discipline or Dismissal

No employee shall be disciplined except for just cause. An employee who has been unjustly disciplined or dismissed shall be immediately reinstated in the former position held and receive all benefits and wages for such time lost.

13.04 Personnel Files

- (a) Upon prior arrangement and in the presence of administration, the employee shall have access to and be supplied with copies of any material on their file.
- (b) An employee may submit a written comment with respect to any entry in the file, and such comment shall be attached to the relevant document and included in the file.
- (c) Upon written application to Human Resources or designate, the employee may request to have written reprimands removed from their file after **two (2)** years of subsequent active employment during which no formal disciplinary action is taken. Human Resources or designate has the ability to grant or deny the request. Denial would only occur in situations involving discipline for proven matters of a more serious nature such as, but not limited to, harassment, **violence, insubordination,** or theft.

- (d) **After three (3) years, no reprimand or coaching shall be considered or used against employees for future discipline unless situations involving discipline in proven matters of a more serious nature as defined in (c).**

ARTICLE 14 - STAFF REASSIGNMENT, LAYOFF OR RETIREMENT

14.01 Layoff Defined

A layoff shall be defined as a reduction in the workforce, or a minimum reduction of 25% of a permanent employee's regularly scheduled hours.

14.02 Role of Seniority

The Employer recognizes that job security should increase in proportion to length of service. When reducing staff, senior employees shall be retained, providing qualifications and abilities are sufficient for the work to be performed.

Should two or more employees have the same seniority date, a random method will be used to determine which employee is the most senior. The method will be determined through mutual agreement by the employer and the union.

14.03 Notice of Layoff

When a layoff is necessitated, the layoff procedure shall include consultation with the employee and the Union to discuss the options available.

The Employer shall not lay off an employee who has been employed for at least 3 continuous months without giving that employee at least:

- (d) 6 weeks' written notice, if their period of employment is 5 years or more but less than 10 years, and
- (e) 8 weeks' written notice, if their period of employment is 10 years or more.

14.04 Procedure for Bumping

If an employee receives a layoff notice and chooses to bump, providing they have the required qualifications and the ability for the position, the procedure shall be followed in this order:

- (a) Bump an employee with less seniority within the same classification within the Community in which the employee is presently working;
- (b) Bump an employee with less seniority within the Community in which the employee is presently working;
- (c) Bump an employee with less seniority within the same classification within the Division, then
- (d) Bump an employee with less seniority within the Division.

For purposes of this Article, the Town of Battleford and the City of North Battleford are considered one Community.

Employees, after being advised of their options, shall be granted up to 7 calendar days to select their option.

14.05 Continuation of Benefits

During a layoff, employees shall maintain, but not accrue, accumulated sick leave, seniority, and service for vacation credits.

14.06 Recall

While on layoff, employees shall be considered, along with other interested current CUPE 4747 employees, for vacant positions provided they have seniority, required qualifications and ability for the position. No new employees will be hired until those laid off have been given an opportunity of recall.

It is the responsibility of employees on layoff to consult the Division website for current and upcoming postings.

14.07 Automatic Layoff

Notwithstanding Article 14.03 entitled "Notice of Layoff", employees who work on the basis of the student year shall be deemed to be laid off for the school vacation periods. Recall following the school vacation periods shall be automatic unless the Employer has served indefinite layoff notice under Article 14.03. This Article will serve as notice of layoff and recall for the school vacation periods during the term of this Agreement.

14.08 Transfer

The Employer shall have the right to allocate or transfer employees, at its discretion, provided wages or seniority are not adversely affected. The transfer procedure shall include consultation with the employee and the Union. If an employee does not accept a transfer, they shall be laid off in accordance with the Layoff and Recall provisions under Article 14.03 and Article 14.06.

14.09 Declaration of Intent to Retire

Whenever possible, an employee who intends to retire shall provide a minimum of 30 days written notice of their intent to their Supervisor and the Human Resources Administrator prior to their retirement date. Those planning to retire in September, shall give notice no later than June 1st.

ARTICLE 15 - SENIORITY

15.01 Seniority of a permanent employee shall be established from the date of hire with the Employer calculated on the basis of continuous service. Continuous service shall include:

- (a) Scheduled school breaks;
- (b) Union leave of up to 1 year;
- (c) Education leave of up to 1 year, and
- (d) Unpaid leave of absence of up to 1 year.

15.02 Seniority and Temporary Employees

Should a temporary employee subsequently be made permanent, seniority shall be calculated from the 1st date of continuous service. An uninterrupted Temporary contract (bridged by full-time casual work in the same position) will be considered continuous service.

15.03 Loss of Seniority

Employees shall lose their seniority and be deemed to have terminated their employment under the following conditions:

- (a) Dismissal for just cause unless reinstated;
- (b) Resignation or retirement in writing;
- (c) Continuous layoff due to lack of work for a period exceeding 24 months, or

15.04 Seniority List

The Employer shall post a seniority list every April effective March 31st of that year. A copy shall be forwarded to the Union. Employees must discuss any inaccuracies with the Union. The Union shall address these inaccuracies with the Employer with proof of the error within 30 calendar days of the seniority list posting. When the Employer requests a medical certificate, the Employer shall be responsible for the costs assessed by the physician to obtain the certificate.

LETTER OF UNDERSTANDING
GUARANTEED WAGE FOR CUT KNIFE COMMUNITY SCHOOL BUS DRIVERS

Preamble:

Cut Knife Community School will begin piloting an alternate day calendar over the next three (3) academic school years, commencing with the 2025-2026 school year and continuing through the 2027-2028 school year. This alternate calendar will result in a reduction of fourteen (14) instructional days-and therefore workdays-per academic year.

In recognition of the Employer's commitment to ensuring that current staff are not negatively impacted by this trial calendar, the Employer and Union hereby agree to the following terms:

1) Bus Driver's currently driving routes C1, C2 and C4 which serve Cut Knife Community School will maintain their full-time status for purposes of pay, pension and benefits. For the duration of this Letter of Understanding, the annual wage of the aforementioned bus drivers will not be reduced as a direct result of any changes in their assigned routes or working hours arising from the implementation of the alternate day calendar at Cut Knife Community School.

2) Bus drivers maintaining full-time status are expected to be available and willing to work replacement shifts during their regular working hours on days when school is not in session due to the alternate calendar.

- The employer will assign these shifts on a rotational basis, following the alphabetical order of the driver's last names and
- Bus drivers will be expected to work these assigned shifts, or take appropriate leave.
- Working these assigned shifts will not result in additional pay as they will be considered part of the aforementioned bus driver's full-time salary.

3) This Letter of Understanding does not apply to staff hired after this execution of this agreement. It is understood and agreed that any new bus drivers hired into positions serving the Cut Knife Community School will be considered part-time based on their reduced bus schedule and hours of work.

4) Except as specifically modified by this letter of understanding, all other terms and conditions of the existing collective Agreement between employer and Union shall remain in full force and in effect.
